We are currently recruiting for a:

SAMPLE ENTRY CLERK

Location: This position is located in Atlanta, GA

Reports to: Sample Entry Supervisor

The Sample Entry Clerk processes incoming samples by entering sample information into the LIMS system. The position is also responsible for fielding phone calls and performing basic customer service. To perform this job successfully, an individual must perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required.

Primary Responsibilities

- Enter all sample information into the LIMS system in an accurate and timely manner
- Ensure all samples contain correct customer provided information. Add any information from mailing container (such as unit number, compartment type, etc.) or missing information that can be accurately added to the paperwork. Keep all paperwork that arrives with the sample together with the sample.
- Communicate ongoing customer issues to the supervisor.
- Contact customers via phone and email with sample information inquiries.
- Answer incoming calls.
- Know and follow all safety requirements, utilize appropriate equipment.

Required Skills:

- High School diploma at minimum.
- Excellent computer skills with database software, must illustrate previous experience.
- Attention to detail and high degree of accuracy.
- Strong organizational skills with the ability to handle numerous details.
- Must be able to multi-task.
- Strong commitment to quality and integrity.
- Communication skills, both verbal and written.

- Self-motivated and willing to provide assistance to fellow team members without prompting.
- Diligent work ethic and the ability to work independently.
- Ability to work under pressure and adhere to strict deadlines.
- Ability to lift up to 25 pounds.
- High energy level, confidence and ability to thrive in a fast paced environment.
- Ability to work overtime, evenings and weekends as required.
